THE INSTITUTION

A BRIEF OVERVIEW OF THE COLLEGE :

The origin of West Guwahati Commerce College dates back to the year 1992 when prominent academician and visionary Dr. Binoy Kr. Tamuli propounded the idea of establishing an ideal commerce college in the Maligaon locality to cater to the essential need of commerce education in the greater west guwahati area. Accordingly, on the 17th May 1992 a public meeting was held at Gotanagar Nambari High school premises under the presidentship of late Dr. Minadhar Borthakur, Secretary Dulal Ch. Das and Treasurer Sri Tarun Ch. Baruah. It was resolved in the meeting that an ideal commerce college needs to be established in the West Guwahati locality with active participation and co-operation of the concerned public of the locality. Hence, the college owes its beginning to a well-thought public initiative from across various sections of people in order to make commerce education accessible and affordable for all.

From a humble foundation, the college has forged ahead with innovation and cutting-edge academic developments. Within a short period of time the institute emerged as a prominent full fledged commerce college with the unified effort, devotion and sacrifice of the founders with Late N.C das the founder Principal and a team of devoted faculty members, dedicated non teaching staff and a band of well wishers.
